

9/7/23

Join us to discover how we are bringing people **[and robots]** together to build homes, communities and hope.

cordially invites you to

Affordable Housing in

9/7/2023 Launch of Brevard's First 3D Printed Homes

DATE/TIME: September 7th at 9a.m.

LOCATION: 2620 Lipscomb Street, Melbourne, FL 32901

PLEASE JOIN US for a Launch Ceremony and Press Conference at the building site of **Brevard's first 3D printed homes**. Come and meet all of our project partners, the deserving family selected by Habitat for Humanity to be the homeowners of one of the homes, and Apis Cor's robotic homebuilding crew "Frank," "Gary" and "Mary." Come and learn about the 3D-printing process for building homes

WELLS FARGO
